

INTAKE FORM: For Marriage

You're getting married. How exciting! In the hubbub of activities surrounding the wedding itself, the issues relating to marriage in general can get lost in the shuffle. Marriage presents a variety of legal issues, some of which are best planned for in advance, while others should be dealt with shortly after the ceremony. It is therefore often advisable that you consult with an experienced family law attorney to help you through the process and ensure an outcome that meets your needs not only now, but also in the future. In order to do the best possible job on your behalf, your family law attorney needs your input and cooperation. At your first meeting with your attorney, you should be prepared to provide the following information:
